Myanmar Information Management Unit (MIMU) is an Inter-Agency Standing Committee (IASC) common resource providing information management services, including GIS mapping and analysis, to the humanitarian and development actors both inside and outside of Myanmar.

Data sources: Boundaries - Ministry of Health 2001, modified by UN RC's Office 2004; Place names - Ministry of Home Affairs (GAD) and Ministry of Agriculture & Irrigation (SLRD) translated by MIMU.
Emergency Shelter Cluster data distributed 5 October 2008.

Disclaimer: The names shown and the boundaries used on this map do not imply official endorsement or acceptance by the IASC membership.

Note: This map represents information as it has been reported to MIMU by the organisations concerned. Inclusion of an organisation on this map does not imply endorsement by the IASC Country Team or its projects. Note that this map only shows presence of organisations in a broad sector; it does not portray detailed information such as the volume of assistance, the number of benefeciaries, or the extent to which needs are met or unmet.

MIMU is grateful for the support of DFID.
